

Austrian manufacturer of explosion-proof distribution boxes for smart buildings

Overview

Warom specializes in manufacturing explosion-proof electrical equipment, with products covering explosion-proof lighting fixtures, explosion-proof distribution boxes, explosion-proof control equipment, explosion-proof motor switches, explosion-proof cable connectors . Warom specializes in manufacturing explosion-proof electrical equipment, with products covering explosion-proof lighting fixtures, explosion-proof distribution boxes, explosion-proof control equipment, explosion-proof motor switches, explosion-proof cable connectors . Cortem Group's customized solutions allow you to safely distribute and control electricity in classified areas with risk of explosion. Thanks to a proven expertise and over 50 years of experience, Cortem Group designs and manufactures special solutions such as electrical panels for lighting. BARTEC offers one of the most extensive ranges of explosion-proof and substance-resistant components, devices, and systems for controlling, switching, and connecting for hazardous areas and particularly harsh environments. We offer bespoke, custom-made terminal boxes and terminal box combinations, as well as standard products with short delivery times. Our solutions enable short planning and realization times and allow optimized. Atexdelvalle offers world-class explosion-protected solutions guaranteeing highest quality and performance with no compromise.
