

China-Africa Broadcasting Fiber Optic Cable Manufacturer

Overview

The company Yangtze Optics Africa (YOA) manufactures fiber optical cables and provides residents with high-speed internet access. It contributes to local economic growth by creating jobs and digital skills that are in wide demand in the country and the African continent. We anticipate market needs, innovate and constantly refine our manufacturing processes and products to deliver faster speeds and more flexible. A Chinese-invested fiber optic cable manufacturing company in South Africa, in partnership with local firms, has become a backbone of the country's digital transformation after nearly a decade of investment. 29 (Xinhua) -- FiberHome International Technologies, a Chinese telecom firm, has signed an agreement with Kenyan-based CP Cables to boost the supply of high-speed internet products in the East African market. Bruce Wang, the deputy chief executive officer (CEO) of FiberHome. The Chinese company is Africa's largest optical fibre cable manufacturer. The Chinese. The launch of 2Africa enables us to offer our customers seamless connection between Africa and Europe, together with our SEA-ME-WE 5 and AAE-1 subsea cable resources to further extend to Asia, which is an important milestone of our global development strategy," said Jessica Gu, Director & Chief. China has firmly established itself as the global powerhouse in fiber optic cable manufacturing, accounting for more than half of the world's output and hosting many of the top producers by volume, technology, and quality.
