

Dominican bus connector

Overview

Do you want to travel by bus in Dominican Republic?

CheckMyBus has got you covered! We show you all available bus connections in Dominican Republic with departure times, exact stops, all travel times and of course the best ticket prices. You will also find all. One of the major perks of the DR is the convenient, affordable large coach bus services connecting the major regions in the country. And everything else is a chaotic network of local minibuses without a schedule and clear routes. As you already understood, to move around the country you need to use: Of course, you can also take a taxi and motoconcho, but more on. The Dominican Republic's public transport network is a lively mix of state-run urban buses, privately operated intercity coaches, informal minivans known as guaguas, and a growing cable car (teleférico) system integrated with the capital's metro. Punta Cana's routes are more focused on resort areas and beaches.
