

Dongya Distribution Box High Voltage Closure

Overview

Polarized, bidirectional, UL, CE and CCC marked and certified, Dongya high voltage contactors provide many advantages, such as being completely watertight, granting low external temperature and bringing high voltage to the contacts. DONGYA is industrial technology Professional design and manufacture dc contactors manufacturers. Our products are widely used in Telecommunication, EV, Mechanical. Ravioli SpA is, indeed, exclusive distributor in Italy and Europe for Dongya high voltage DC Contactors. Ev Dc Contactor are designed to meet the demands of high-voltage and high-current DC applications, especially for. Color: White; Model Number: LWDF&LWDS; Product Name: circuit breaker box Distribution Box; Material: ABS; Port: Tianjin; Payment Terms: L/C,T/T,Western Union; Place of Origin: Hebei China; Packaging Detail: 1 piece in white box,10-200pcs in a carton, standard exporting carton. Model. High voltage distribution box is the control part of EV power supply, which has the functions of power distribution, current measurement, short circuit protection, charge and discharge control, pre-charging, manual emergency stop and insulation testing port.

Article Content

High Voltage DC Contactor (HV dc contactor),

Dongya's high voltage DC Contactor are typically fitted with a normally open (NO) contact and Ev Dc Contactor suppress the arc that is produced when interrupting

DHC40 High Voltage DC Contactor

Efficiency - High voltage DC contactors offer higher energy efficiency compared to AC contactors, especially over long distances in applications such as power transmission and renewable energy

High and low voltage distribution cabinet

Leading Chinese manufacturer of high and low voltage distribution cabinets, offering reliable, safe, and customizable solutions for industrial and commercial power distribution needs.

High Voltage DC Contactor

Ev Dc Contactor are designed to meet the demands of high-voltage and high-current DC applications, especially for disconnecting high-voltage lithium-ion batteries.

High Voltage DC Contactor DHC600

High Voltage DC Contactor DHC600 600A Contact switch capacity, Small volume; This product is non-polar type, the contact circuit is non-polar and can be

DC Contactors High Voltage

High Voltage Ravioli S.p.A. is now exclusive distributor in Italy and in Europe for Dongya high voltage DC Contactors,

Dongya High Voltage DC Contactor DH20, Panel Mount

Get Dongya High Voltage DC Contactor DH20, Panel Mount at best price in Bengaluru, Karnataka by Sugi Systems & Controls and more distributor / channel

Company Profile

Zhejiang Dongya Electronic Co., Ltd was founded in Y1984. We specialize in designing, manufacturing and selling High & Low Voltage DC Contactor, Shunt

High Voltage DC Contactor

A high voltage DC contactor is a special type of contactor designed to switch high voltage (HV) direct current (DC) circuits, typically in the hundreds to thousands of

DC high voltage Contactors

Polarized, bidirectional, UL, CE and CCC marked and certified, Dongya high voltage contactors provide many advantages, such as being completely watertight, granting low external temperature and

Dongya Electronics at CIBF 2026: Empowering New Energy Batteries

Intelligent High-Voltage Distribution Unit (PDU) – The “Central Nerve” of New Energy Electric Control Systems. Addressing the high-voltage power distribution needs of new energy vehicles, energy

High Voltage Distribution Box – Rawsuns

High voltage distribution box is the control part of EV power supply, which has the functions of power distribution, current measurement, short circuit protection,

Chinese DC Contactor High & Low voltage & Relay supplier | Zhejiang ...

Zhejiang Dongya Electronic Co., Ltd. - Affordable China supplier of DC Contactor High & Low voltage, Relay, Shunt, Breaker. Quality products from Chinese manufacturers.

DH100 High Voltage DC Contactor

High Voltage DC Contactor DH100 (SEALED DC CONTACTORS) is a kind of high-voltage DC switch; it might be lost the function of cutting off in its final breakdown

High Voltage DC Contactor DHC40

High Voltage DC Contactor DHC40 40A Contact switch capacity, Small volume; A set of bridge type N.O ntacts; Non-polarity of contact circuit; Using ceramic

DC Contactors | Since 1984

Zhejiang Dongya Electronic was founded in Y1984. We specialize in designing, manufacturing and selling High & dc contactor relay, Low Voltage DC Contactor, Shunt and Hydraulic Circuit Breaker.

Dc Contactor, Power relays, shunts, circuit breaker

Dongya DC contactor manufacturer specializes in the production, research and development, and sales of dc rated contactors, High Voltage DC Contactor, shunt

Company Profile

Learn more about Zhejiang Dongya Electronic Co., Ltd., a leading supplier of DC Contactor High & Low voltage, Relay, Shunt, Breaker and other high-quality products. Contact us to learn more about our

High Voltage DC Contactor DHC200

·Using ceramic brazing technology, the contact part is sealed with hydrogen gas. The contact does not oxidize, can quickly cut off in the dc high voltage;

DH50 High Voltage DC Contactor

High Voltage DC Contactor DH50C (vacuum contactor) Product max pick-up current is 250A to avoid contact cold welding.

High Voltage DC Contactor DH250

High Voltage DC Contactor DH250 Factory direct sale, offer very competitive price
Product quality exceeds international testing and certification standards.

Dongya Construction Site Distribution Box Factory

Get Dongya Construction Site Distribution Box Factory, Dongya Construction Site Distribution Box Factory price, suppliers, manufacturers, wholesalers, dropshippers, agents, distributors from

Dongya Mod. DNG it en/g22

Ravioli S.p.A. is now exclusive distributor in Italy and in Europe for Dongya high voltage DC Contactors, perfect allies in applications requiring reduced dimensions and high current-carrying capacity: electric

Safe & Efficient Power Distribution Boxes | GEYA

Find high-quality distribution boxes from GEYA. Our durable enclosures ensure safe and organized electrical installations.

DH20 High Voltage DC Contactor supplier

Small volume, light weight, seal structure for the main contact, working under inert gas protection, high breaking capacity, with no...
