

Where is the fiber optic connector factory in Mexico

Overview

EqualOcean has learned that Yangtze Optical Fibre and Cable Joint Stock Limited Company (referred to as "YOFC") has officially inaugurated its new manufacturing base in Lagos de Moreno, located in the northeastern part of Jalisco, Mexico. We are dedicated to manufacturing fiber optic cable and a range of other cutting-edge telecommunication products including conductor accessories, fiber optic connectivity, fusion splicers and test and inspection equipment. AFL unveils a building expansion that will double the production area. This marks a pivotal step in YOFC's global strategy, solidifying its leading position in the global optical fiber. There are 145 Fiber optic products suppliers in Mexico as of April, 2026. Jalisco, as part of its strategy to position itself as the most competitive destination for global companies looking to establish themselves in Mexico, announced the consolidation of investment from. Yangtze Optics Mexico Cable has announced the start of operations in Jalisco, Mexico.
